

2022 Camp Rules

The following are basic rules which we request everyone to follow while on the property

1. Foul language, fornication, indecent exposure and any evil is prohibited.
2. Possession or use of alcoholic beverages and illegal drugs are strictly forbidden.
3. Clean up after yourselves. The community has a lot of work with cleaning up to start with. You can help by making sure your trash goes in garbage cans and your camping area is cleaned up the way you found it.
4. There is a creek and a pond on the premises. Parents are required to accompany and watch their children.
5. Parents are responsible for their children. Please keep track of them!
6. You are welcome to bring golf carts, atv's, utv's, and motorized vehicles. Please operate them carefully. No speeds greater than 15 MPH.
7. In Christ Alone Gymnasium and the ICA Community are not responsible for any accidents or injuries on the property.
8. A waiver and consent form must be signed when you arrive at the camp. The forms will be located in the gymnasium.

You must agree to these rules before you register. If you have any questions, please contact Andrew or Hannah Schrock.
